Kitchen Table Talk Event - Toronto

October 13, 2010, 6:00pm - 8:00pm
William Doo Auditorium, University of Toronto

We invite you to participate in one of the Cross-Country Kitchen Table Talks taking place in Toronto!

Come and review the People's Food Policy Project's food policy recommendations and discuss how YOU would like to see our food system improved. Join us and Ontario farmer Colleen Ross in discussing these important issues. This is your chance to participate in developing the policy that will shape the future of food in Canada.

Snacks and refreshments will be provided!
