

## Public Consultation on Chicken Allocation and Northern Ontario

All interested parties, farmer, processors and consumer are invited to join a consultation about the chicken quota allocation in Ontario. The purpose of this consultation is to solicit input, feedback and advice on how future growth should be distributed to farmers and processors (farmer-member allotment and processor supply distribution) so as to position the chicken industry for economic growth and success. The Chicken Farmers of Ontario (CFO) and the Ontario Farm Products Marketing Commission are hosting a special pan northern consultation to hear the unique challenges and opportunities that exist in Northern Ontario.

This is your opportunity to help shape the future of the chicken industry in Northern Ontario

**Date: February 10<sup>th</sup>**

**Time: 10 am**

**Location: See below for locations across Northern Ontario.**

It is recommended that attendees read the background information provided by the CFO
