

**Network meeting: Municipal Regional Food Policy Network  
December 1, 2016 at 2:00pm**

**Agenda**

**Potential Names:**

- Municipal Regional Food Policy Network
- Municipal Food Policy Network
- The Food Policy Network

**Potential Description:**

Sustain Ontario's Municipal/Regional Food Policy Working Group brings together planners, community organizers, public health professionals, farmers and food policy advocates to share ideas and knowledge in order to influence policy at the municipal or regional level. Through workshops, webinars and other forms of collaboration, we pool resources and experiences to distil best practices and develop solutions to include food in municipal policy decisions.

**Potential Priorities:**

- Local food procurement webinar series - with Golden Horseshoe Food and Farming Alliance
- Local food procurement training/workshops
- Setting up food policy councils
- Food charters
- SW Ontario Food Champions group
- Session at BFH 2017

**Logistics:**

- Meeting times & capacity
