

**Network meeting: Ontario Community Garden
December 7th, 2016 at 2:00pm**

Agenda

Potential Names:

- Ontario Community Garden Network
- The Community Garden Network

Potential Description:

An Ontario-wide network for community gardens brings together a variety of gardens and urban agriculture projects across the province. This network first developed amongst various community garden network coordinators when it was recognized that collaboration and the sharing of information between networks could be very advantageous. Now the network works together to share resources, discuss new ideas and strategize for the future of growing in Ontario.

Potential Priorities:

- Research & Share funding opportunities
- BFH Home session
- Policy research
- Resource hub - [greenhouse](#)

Logistics:

- Meeting times & capacity
