AGENDA

Thank you:

Possibility grows here.

3:30 - 3:35 INTRODUCTIONS

3:35 - 4:05 COOKING UP LOCAL FOOD LITERACY PRESENTATIONS

4:05 - 4:25 Q&A PERIOD

- Submit a question to the host via the question box

4:25 - 4:30 OTHER RESOURCES AND CLOSING

Sustain Ontario is a province-wide, cross-sectoral alliance that promotes healthy food and farming.

An initiative of Sustain Ontario, the Edible Education Network has been established to bring together groups in Ontario that are connecting children and youth with healthy food systems.

Panelists

BROOKE ZIEBELL – FoodShare

As senior coordinator of FoodShare's Field to Table Schools program, Brooke keeps on her toes facilitating and coordinating workshops on local Ontario produce, cooking, urban agriculture, food security and sustainability, pollination, composting and more.

DEBBIE HYLTON – Toronto Public Health

Debbie Hylton has over 18 years of experience working as a Public Health Inspector with Toronto Public Health, Healthy Environments. Debbie is currently working in the Food Safety program.

ANDREW FLEET – Growing Chefs! Ontario

As the founder and Executive Director of Growing Chefs! Ontario, Andrew Fleet has designed, implemented and coordinated several successful food education programs that have served thousands of children and youth in London and area.

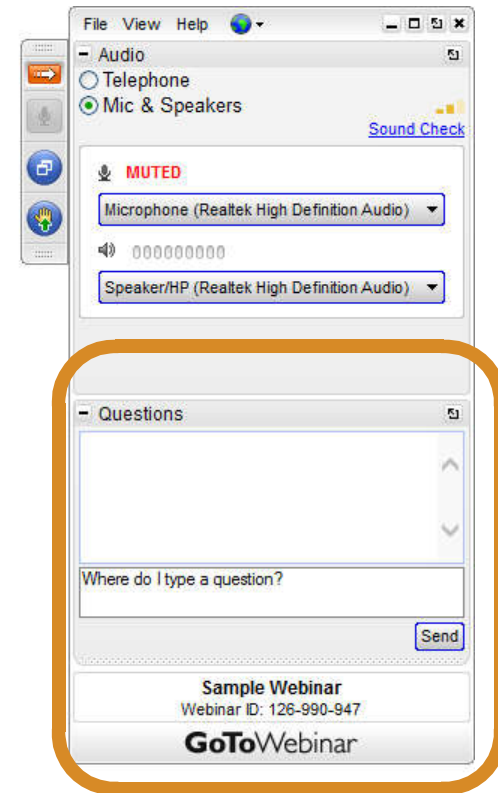

Eating For Local Food Literacy

Sustain Ontario Greenhouse

ONTARIO *Food Initiatives Greenhouse* (BETA) Home About Initiatives Resources Contact

More than just a resource library, a springboard for action.

The greenhouse is a growing collection of community-vetted food strategies, tools, and tactics organized by initiative.

“Food Literacy” initiative contains search fields specific to Teachers: Audience (Grade), School Subject, Season...

RESOURCE – Free Lesson Plans

Ontario Fruit - Dessert Cookbook (pg. 116 Classroom Connects)

In this hospitality lesson plan, students:

- Learn how to identify local Ontario fruits
- Select four recipes that highlight a locally grown fruit and create a cookbook
- Share their knowledge with the class

This lesson plan is found in Classroom Connects, available for free download at <http://ecosource.ca/about-us/publications>
