

The left side of the slide features a decorative arrangement of green elements. There are four solid green circles of varying sizes and four detailed green leaves with visible veins. The leaves are positioned in a way that they appear to be part of a larger plant or cluster.

SCHOOL FOOD DELIVERY PROGRAM

Retooling direct delivery programming to support student nutrition programs across the Southwest region in a time of crisis.

Program Details

Redirected grant funds

Weekly Produce Deliveries + Food Credits

Menu options

Intake periods:

Phase 1 - November and December 2020

Phase 2 - January to March 2021

Phase 3 - April to June 2021

The background is a solid light green color. On the left side, there are several decorative elements: a large, detailed green leaf with prominent veins, a smaller solid green leaf, and a bright lime green teardrop shape. There are also several semi-transparent green circles of different sizes scattered in the background.

Testimonials

Let's hear from some of our partners.....

“Ensuring students across Southwestern Ontario receive healthy, nutrition snacks week after week. This program is very effective and much needed in our communities. The positive response from staff, students, and volunteers has been overwhelming”

Daniel Overbeek, Owner, Produce Express

What we liked about the School Food Delivery Program...

My kiddos really enjoyed the individual portions of the fresh fruit and veggies that were served. This likely wouldn't have happened without the program in my school.

The convenience of having large volumes of food items available and delivered directly to the school.

Introducing our kiddos to new foods, was exciting to hear the feedback stories of things some may or may not ever had available at home.

Tracy-Lynn, Spruce Ridge Community School

“I loved the convenience of the program. It was so easy to place orders. Having the items come to the school reduced the number of hours that we had to spend organizing and buying for the breakfast program. I also love the boxes which we order for families. We have two families that we are supporting, and they are very appreciative.”

Marga Wilson, Principal, Lucknow Central Public School

OPPORTUNITIES

A decorative graphic on the left side of the slide. It features two green leaves: a smaller one in the upper left and a larger one in the center. There are also two light blue circles, one in the top left and one in the bottom left, partially visible.

FUTURE OF SCHOOL FOOD DELIVERY

A decorative graphic on the left side of the slide. It features a large, vibrant green leaf pointing towards the top right. To its left is a smaller, medium-green leaf. Below these are several light green circles of varying sizes, some of which are partially cut off by the edges of the frame. The entire background is a solid, light green color.
