SAVES TIME

I hope you had a wonderful weekend!

A reminder that next week, delivery will be one day later due to the holiday Monday.

Don't forget to place your orders before noon on Wednesday.

If you typically order from the Dunnville Hub, this is not an order week.

We are half way through February, so make sure you are on track for having gift cards spent by the end of the school year. Remember, these cards are like cash and items purchased must align with our 2020 Guidelines. Occasionally, redeemed cards undergo an audit to ensure they are being used appropriately.

Also, if your school has not raised any funds to support your SNP, please consider adding SCHOOLCASH ONLINE. Our schools have done very well using the school's existing software and there is no work for coordinators and volunteers - a perfect way to "fundraise" without all the work 😊

We have had schools raise over \$25,000 through SCHOOLCASH ONLINE. Some schools have chosen to set up some different amounts to donate, for example \$2, \$5 and \$10. Another school has let their school know that their snack program runs 2 days/week and a snack costs \$0.50. They do a two month ask so if there are 8 weeks of school in those two months, they suggest a donation of \$8. They have 75% of the school that opts into this donation. At the end of the day, it is all optional so there is no pressure on parents to donate.

Have a fantabulous week and thanks for everything you do!

CLIENT TESTIMONIAL

Our family loves how we can pay for all school related things in one location including donating towards our school snack program. ~ Parent, Norfolk school

As a secretary, once the item is created in our system it is easy to “copy” time to time and very easy to run a report to view the donations and easy to “clear” the donations in the reconciliation process ~ Secretary, Norfolk School
